Yesterday morning that person comes to the shop
I'm Gabriel Coven.
Andrea's employer
NEW YORK CITY COURTHOUSE
You really surprise me Andrea!!
I'm surprised too, mama.
When he said that Renato and I thought our hearts were going to stop
Yesterday I got engaged to your daughter.

This wedding isn't real!!
Do you vow to love your husband
and be faithful to him in happiness and pain until death do you
Ugh. I have no idea what's going on anymore.
That person heard about your disease and rushed the wedding, right?
To come back to New York and suddenly get married...
The judge is ready.
I'm sorry Mama. You don't know but...
Be happy, Andrea.

I do.
Gabriel Coven,
do you take Andrea Bower as your wife,
to have and to hold until death do you part?
I do.
I may be punished for this
Someday...
Andrea
"I'm sorry God."
!!

Are you?
It's fine. They were both happy anyways.
I sorry for doing that to your parents.
Having them come all the way and then only having a registry.
Your forehead was wrinkled in the middle of the ceremony.
It's wrinkled again, darling.
Don't call me darling!!
Roger that.

If you stay in your bathrobe like that you'll catch a cold.
So, what else should I not do?
I'll do whatever you ask, so will you come inside now?
Andrea, I may be your husband
Click
We just got engaged yesterday and married today I can't call you darling yet!
I don't intend to do anything you don't want me to.
On top of that, I'm exhausted so I'm going to sleep

Good night
I'm such an idiot! We can't start out like this!
Even though he's not my lover... suddenly he's my husband what should I do about this?
Even though
the person I love
is so close that I can touch him...

Andrea ...
がしっ
grab
KYAA
Ga.. Gabe ...
!!
There's no way that you hate me, right?
I can't be beside you without wanting you.
You were pretending to be asleep like a possum!

Kiss
Ah
gasp
Babe!?
Slip
since neither of us ate garlic tonight.
You don't have to restrain yourself not to look at me

Ha
Silly.
I'm glad, you finally smiled.
Chuckle
Ah
thump
thump
It's the same as Paris
Gabe
I know
Gabe
I know he doesn't love me
but that's fine.
This is definitely a continuation of my dream in Paris
Ah
Gabe

Andrea
And in the morning...
ech..
I returned to reality anyways
Beep beep
Did your take you temperature?
These are pregnancy tests.
Andrea .!?
Can we manage together on the island, after all this!?
What if there's no child!?

It's small isn't it?
That's San Pierre.
No matter how many years pass the sin doesn't disappear
In order to erase it he'll have to face it
As I thought he's still feeling guilty

But what on earth can I do to help?
Gabe!?
Gabriel Coven?
Fabris!
Wow! I didn't think it could be, but you're the real thing!
New York.
You jerk! Where have you been!?
This is my wife, Andrea.
?
Oohh!!

Haha
Thank you
Nice to meet you Andrea.
I'll forgive you for leaving.
I see. I wouldn't come back to the island either.
Haaa
See there's someone you can talk to
Hahaha you're in a T shirt
As I thought, it's cold over here
I haven't had any contact with Jill since my grandmother's funeral.
What?
By the way Gabe, have you seen your father lately?
No, not yet.

He quit his ship.
Eh?
What about him?
Then you don't know about your father?
I thought it was because his body was breaking down, but it doesn't seem that way now.
The year after you went to New York
Father is!!
He probably didn't want you to worry.
No way
Jack didn't say anything?

See it's on the other side of that pond.
He's worried about something
I wonder what happened to make him this restless?
Gabe?
Is something wrong?
I'll tell you later.
Yes, I'm sorry.
!!
This is my house.

There's no door.
Looks like we can put on whatever door we want..
Grin
I love you!
Andrea.
Yes?
Eh?
when you first came to New York, did you feel like The Little Prince?
Measuring tape
We'll need 5 or 6 cans of paint
I'm sure you were lonely without a volcano to clean for you and a flower to give you water.
hammer

It's dangerous if you step on these so let's pull them out.
This person must be a descendent of Robinson Crusoe.
He's having fun
This person...
He's excited to building up
everything from nothing bit by bit
That's how he built a company that started in one office of a building
and grew to a chain throughout America.

Sounds good.
He can live in any abandoned island
Let's make the door blue.
If it's this person
!!
Bonjour, neighbor! Are you in there?
I'm wondering what kind of person would buy this crumbling house.

Gabe?
Is that you?
Jack!?
GRANDFATHER!!
Oh, Gabe!! You came back!!
What about your company?
Are you really planning to live on this island, Gabe?
I sold my company.

It's the phone.
I'll answer it. Don't burn the halibut Jack.
RRRRR
I love fish!
Can you eat fish?
Yes? This is Coven
Hello? Your voice is wrong, who is this?
I'm Gabe. Gabe Coven.
Eh? What? Stop joking!

You must be the real thing.
Why did you come back?
By your voice, you must be Aunt Elaine.
I came back to live the way that I want.
I've always been thinking that I want to live here and I got married
I don't believe it.
It's true. I sold my company, donated the money and so now I need to work.

I see.
Everyone will be happy that you're back.
Everyone's so proud of your success
I'm just a prodigal son.
Jill always buys magazines with articles about you.
He'll never tell you himself,
but sometimes he shows them to people and brags about you.

I thought that my father had thrown me away
He told me to never come back.
He's been wanting to give the ship to you.
Eh?
You should talk to him...
Jill should be drinking at Puty's store on his days off.
I've got it! Tomorrow night come to my house and we'll celebrate, I'll call the whole family over.

Eh?
Are you alright?
Gabe?
Thank you very much.
See you tomorrow.
You look like you're carrying the weight of the world on your shoulders.
